- 2003- 2005: University-Industry Relation Office – National Research Centre of Medical Science of Iran.
- 2000-2006- Supervisor-Student Research Committee: Iran University of Medical Sciences from.

### **Recent Competitive Research Grants**

- National Agency for Strategic Research in Medical Education (MoHME of Iran)  
**Topic: Future scenario planning and explanation of emerging trends of new technologies that enhance learning in medical science education**  
Project Director
- National Agency for Strategic Research in Medical Education (MoHME of Iran)  
**Topic: Designing, implementing, and evaluating a comprehensive program for empowering students participating in the five areas of the scientific Olympiad for medical students based on a modular courses approach and the context-based learning model.**  
Project Director
- National Agency for Strategic Research in Medical Education (MoHME of Iran)  
**Topic: "Evaluation of the effectiveness of management fields in solving the challenges of the health system and providing policy solutions"**

A member of Experts Working group

- National Agency for Strategic Research in Medical Education (MoHME of Iran)

**Topic: Designing and developing the quality management model of the program for the integration of medical education in the health service delivery system at Iran's Ministry of Health and Medical Education**

Project Director

- National Agency for Strategic Research in Medical Education (MoHME of Iran)

**Topic: Design and development of the curriculum "Business Management Skills in pharmacy" for pharmacy students**

Project Director

- Ministry of Health and Medical Education

**Topic: Designing a model to improve the performance of Board of Trustees on Medical Universities in Iran.**

- Ministry of Health and Medical Education of Iran

**Topic: "Designing a model for R&D unit in Medical Universities of Iran. 2006.**

Project Director

- Iran National Research Center for Medical Science

**Topic: SWOT of Industry linkage in Medical Universities of Iran.**

Project Director

- Iranian Academy of Medical Sciences

**Topic: "Designing a model for health care system in Iran" 2006.**

- Who Collaboration Centre (Iran)

**Topic: Health Care System Reform in Iran.**

A member of Experts Working group

#### **Recent Publication & Presentation (last 5 years)**
